## **CHAIR'S REPORT**

### TĒNĀ KOUTOU, TĒNĀ KOUTOU, TĒNĀ KOUTOU KATOA. WELCOME TO THE TSB COMMUNITY TRUST ANNUAL REPORT FOR 2018.

This will be my last Chair's report for the TSB Community Trust, after three terms (12 years) I am retiring and my term finishes in July 2018.

It has been a huge privilege to be involved in the Trust over the past 12 years. Looking back the Trust has developed a great deal since I commenced as a Trustee in 2006.

Now more than a simple grant maker, the Trust has moved from transactional grant making into strategic philanthropy. A new Vison and Strategic Overview was developed in 2016 and is now well on the way to being implemented. In the next 12 months the Trust will be more involved in Innovative Philanthropy and Impact Investing. One of the key changes for the Trust since 2016, has been to focus on child and youth wellbeing in a whānau context. The aim is to have an intergenerational impact, ensuring that our young people are well equipped to take Taranaki forward, after all they are our future.

The Trust's asset base has also grown immensely, in 2015 the Trust developed a new company structure and TSB Group Ltd purchased the first tranche of Fisher Funds Management Ltd. The Trust has continued to grow in this area and in August 2017, TSB Group Ltd took a controlling interest in Fisher Funds. I believe that the income that will be derived from that investment will complement the outstanding performance of TSB Bank Ltd and will be of immense value for this community. It will have a significant impact both at an economic and a social level in the years to come.

Being the Chair of both TSB Community Trust and TSB Group Ltd during this time of significant change has been an extraordinary experience.

A big thank you must go to TSB and Fisher Funds, and everyone in our community that support them, without them the Trust's work would not be possible.

#### STRATEGIC COLLABORATION

Over the past 12 months the Trust has continued to work steadily towards our strategic vision introduced in 2016; that of championing positive opportunities and intergenerational change.

Collaboration and working together on mutual strategies has been a strong focus this year, with three significant Memorandums

of Understanding being agreed with key organisations. This will enable us to collectively contribute to improving wellbeing in Taranaki, for generations to come.

#### **BOUNDARY CHANGE PROPOSAL**

The Trust has continued to await the outcome of its joint boundary change proposal with Whanganui Community Foundation. The Trust is hopeful of a positive outcome that will see communities within the South Taranaki District boundary included in the Trust's legislative area. I had hoped to see this change happen during my time with the Trust, but I know that the staff and Trustees are looking forward to engaging with those communities once the process is complete.

#### **GOVERNANCE**

On 1 July 2018 there will be a change of Trustees as myself and Kelly Marriner will formally retire from the Board. I will have served 12 years, spending the past six as Chair, while Kelly has served eight years, six of those as Deputy Chair.

Harvey Dunlop has been elected by the Board to take over as Chair, and Jenny Gellen as Deputy Chair. At the time of writing this report we have yet to be formally advised of the new Trustee appointments.

#### **FAREWELL MESSAGE**

As I depart my role on the Board, I wish to thank my fellow Trustees for all the support they have each afforded me during my time as Trustee and Chair. The commitment that they have for the wonderful region of Taranaki is truly outstanding.

I also wish to thank our Chief Executive Maria Ramsay for the energy and determination she has brought to her role, supporting myself and the Board through rapid change, since 2007.

It has truly been an honour to take part in the Trust's journey, and as the Trust continues to develop I have every confidence that its impact working with the community will continue to grow.

He maru ahiahi kei muri te maru awatea, he paki ārohirohi kei mua.

After the shades of darkness comes the dusk of dawn. Whilst before lies the shimmering glory of a fair day.

Ngā mihi nui Hayden Wano, Chair

"IT HAS BEEN A BIG YEAR FOR THE PROJECT, WITH STANDOUTS BEING THE DEGREE TO WHICH IWI, AGENCIES, BUSINESSES, PHILANTHROPIC ORGANISATIONS, AND THE TARANAKI COMMUNITY HAVE COME TOGETHER TO TACKLE THE BIODIVERSITY CHALLENGES THAT TARANAKI MOUNGA IS ADDRESSING. THIS IS UNIQUELY TARANAKI. AND SOMETHING THAT WE CAN COLLECTIVELY BE PROUD OF"

## **CHIEF EXECUTIVE'S REPORT**

# 2018 HAS BEEN ANOTHER VERY PRODUCTIVE YEAR FOR THE TRUST, WITH MANY DEVELOPMENTS ON BOTH AN OPERATIONAL AND PHILANTHROPIC LEVEL.

#### **GRANTS SUMMARY**

The Trust's philanthropic support of our region continues to grow with \$11.4 million in total grants paid out and committed this year, bringing our total contribution to over \$127 million since 1988.

#### CHILD AND YOUTH WELLBEING

Our strategic priority of Child and Youth Wellbeing in a whānau context has been a key focus for the Trust. More than 50% of the grants made or committed this year have contributed in some way to improved Child and Youth Wellbeing.

#### COMMUNITY INVESTMENT AND FUNDING

Over the past year we have continued to implement our Community Investment and Funding Strategy introduced in April 2017. At its core is our Funding Framework – you can see this framework on page 6 of this report.

At its base, our Community Funding supports the fabric of our communities by supporting the diverse array of activities that keep our community humming.

This year we have been very actively engaged in Strategic Philanthropy, working more strategically and forming partnerships with community organisations to achieve our mutual goals and priorities.

We have continued our commitment to the Taranaki Mounga Project to restore ecological diversity on Mounga Taranaki in partnership with DOC, NEXT Foundation, Shell NZ and Iwi.

In December 2017 a Memorandum of Understanding was signed with Taranaki organisation Te Pou Tiringa, to explore ways to improve child and whānau wellbeing in the region. We also formed a partnership with Parenting Place, an innovative organisation focused on strengthening parents.

It is heartening to see some of the results being achieved by community partners such as START Taranaki who are busy supporting young men to gain life-changing opportunities.

During this financial year we also continued exploring our Innovative Philanthropy, using design thinking to explore with local communities how we can work together to build family wellbeing. You can read more about some of these groups and projects on pages 6-10 of this report.

#### **EFFECTIVE ORGANISATION**

2018 has been a productive year for Trust operations with several developments taking place including the appointment of two new positions to the Trust's Leadership Team early in 2018.

This will have a significant impact on the Trust's ability to plan and implement its strategies at an operational and strategic level.

Recognising the importance of working with Māori, in 2017 we introduced a new strategy to guide our relationships and engagement with Iwi and the Māori community. In March 2018 the Trust signed a relationship agreement with Te Kotahitanga o Te Atiawa Trust, our first formal iwi partnership under this strategy. It is hoped that further partnerships will follow.

Meanwhile the Trust continues to increase its engagement with communities and organisations. Our very able Grants Team work with applicants with the aim of assisting them to get the best outcome possible for their organisation.

#### **ACKNOWLEDGEMENTS**

Firstly I would like to acknowledge all the volunteers and community workers that help to make Taranaki the rich and vibrant region that it is. Without these people the Trust would not be able to have the impact in our community that we do. So, this is a big thank you from the Trust to all of you.

And last but by no means least a huge thank you to the TSB Community Trust team of staff, a group of individuals that are passionate about our place and all those that live here.

He tautuku aroha tēnei ki ngā kaimahi katoa e whakapau werawera ana ki ngā tini kaupapa huri noa i te mounga. Mei kore ake koutou, e kore rawa e pēnei te kaha o ngā hapori o tō tātou rohe. ## ASSET INVESTMENT

We will be an active and responsible asset owner, adopting investment strategies to sustain and grow our assets for our people today and future generations.

#### AN EFFECTIVE ORGANISATION

We will support this with appropriate resources, systems and communication

## **ASSET INVESTMENT**

## THE TRUST CONTINUES TO GROW IN ITS ROLE AS A RESPONSIBLE SHAREHOLDER, ASSET OWNER AND INVESTOR.

The 2018 financial year was a landmark year for the Trust – in August 2017 the Trust's Investment Manager, TSB Group Ltd, gained a controlling interest in Fisher Funds Management Limited (FFML) through its subsidiary companies.

As a result, the Trust is now an owner and shareholder of two major commercial assets, 100% of TSB Bank Ltd and 75% of Fisher Funds Management Limited, as per the asset structure on the right.

In the years to come the dividends that TSB Group Ltd receive from both TSB and Fisher Funds will result in increased support for Taranaki and its people.

#### TSB COMMUNITY TRUST ASSET STRUCTURE

## EFFECTIVE ORGANISATION

We always look for ways to improve the way we work and over the past year we have continued to explore and implement technology to support our work and improve our grantees' experiences.

The past 12 months has seen continuing review of our online application portal with improvements applied. During the development process we have tested changes on real users, to make sure these were effective.

We have also continued to keep our Core Values central to our work. Over the past year we have regularly reflected on these to ensure we live up to them as an organisation.

## **OUR COMMUNITY INVESTMENT AND FUNDING FRAMEWORK**

THE MODEL BELOW SHOWS HOW WE APPLY OUR COMMUNITY INVESTMENT AND FUNDING WHICH INCLUDES OUR COMMUNITY FUNDING, STRATEGIC PHILANTHROPY, INNOVATIVE PHILANTHROPY AND IMPACT INVESTING.

## **IMPACT INVESTING**

At the top tier of our Funding Framework is 'Impact Investing'. In New Zealand Impact Investing has been defined as "investing with the intention of generating a measurable and beneficial societal and/or environmental impact alongside a financial return" Impact Investment Network NZ (2017).

Impact investing has been identified by the Trust as a mechanism with which to make social and/or financial returns which will result in significant impact within Taranaki. Over the past 12 months the Trust has been exploring Impact Investing models. The Trust intends to develop and test pilot a new Impact Investing framework in the coming year.

## INNOVATIVE PHILANTHROPY

The next tier down of our Funding Framework is 'Innovative Philanthropy'. This means exploring new opportunities and trying new ways to work with and invest in communities to help facilitate positive opportunities and beneficial change.

In 2018 we continued to run Te Rau Matomato, a collaborative project with Tui Ora and Iwi. This innovative project uses co-design and design thinking in collaboration with local communities. Through this project we are engaging with whānau from North Taranaki to explore how we can help to improve child wellbeing outcomes, with a focus on the early years.

The focus of innovative philanthropy is thinking differently to achieve more – we are excited about the power of design thinking and co-design, to help us work more effectively for and with our communities.

## STRATEGIC PHILANTHROPY

## OUR STRATEGIC PHILANTHROPY FOCUSES ON SUPPORTING, FACILITATING AND ENGAGING IN STRATEGIC RELATIONSHIPS, PARTNERSHIPS AND INVESTMENTS.

#### ON THE RIGHT TRACK - START TARANAKI

## START Early is a youth wellbeing programme aimed at building trust, resilience, self-awareness and life skills of participants through meaningful activity.

Based in Kaponga at START Taranaki, the programme and activities take place throughout Taranaki and start with an isolation phase, involving two full weeks in the bush. Youth are in START's care for three weeks, followed by four weeks intensive transition support. Then there is up to a year of mentoring from the Youth Transition Facilitator to keep things on track.

Neville Phillips established START Taranaki in 2003. Today the organisation is attracting national attention for its work and featured on a VICE NZ documentary earlier this year.

Piers Duncan, START Early's Project Manager, said that the organisation does its best to respond to the needs of the youth – even if that is simply a hug at times.

Neville said, "The attachments formed through trust and mutual respect between young people and staff are powerful".

In 2017 the organisation was able to run its START Early programme for a second year, with support from the TSB Community Trust, including a \$100,000 programme grant, and \$12,900 towards important equipment for the related Community Support Worker.

Another fine example of community collaboration, Piers said that "the work of START is only made possible thanks to the support and combined efforts of the community".

#### **GROWING THE CAPACITY AND CAPABILITY OF TARANAKI**

#### **COMMUNITY ORGANISATIONS - THE WHEELHOUSE**

The Wheelhouse is a successful collaborative partnership focused on supporting Taranaki community organisations and providing a single point of contact for Taranaki trusts, clubs, societies and groups. The Wheelhouse website provides valuable access to a regional training calendar, access to funding sources, support, information, resources and much more.

In 2017 the Trust provided a grant of \$100,000 towards Wheelhouse activities including continued resourcing for a dedicated staff member. Marcia Millard, The Wheelhouse Manager, was appointed to the role in 2016.

In the past financial year The Wheelhouse provided 35 trainings and workshops across Taranaki with over 600 attendances. Workshop topics have included governance, planning, financial sustainability and core functions such as marketing.

Marcia said "It has been incredible to meet so many committed individuals from an array of organisations who are all working towards the same goal. They want to become stronger and more sustainable— who wouldn't want to be part of that!"

Part of the role of The Wheelhouse Manager is to develop relationships with key stakeholders to attract events and opportunities to Taranaki. In November 2017 when the Tonic Conference, a national conference for non-profit organisations, was held in Taranaki, TSB Community Trust sponsored 40 Taranaki people to attend.

The nine collaborative partners of The Wheelhouse are: TSB Community Trust, Bishop's Action Foundation, New Plymouth District Council, Stratford District Council, South Taranaki District Council, Sport Taranaki, Department of Internal Affairs, Te Puni Kōkiri, and Tui Ora.

## "TOGETHER WE ARE STRONGER"

#### PARTNERING TO EXPLORE LIFELONG WELLBEING - TE POU TIRINGA

As a community investor and funder keen to help make a lasting difference for child and youth wellbeing, understanding what is effective to help improve whānau wellbeing is very important.

In 2017 the Trust established a relationship with Te Pou Tiringa, a leading Māori community organisation. Both the Trust and Te Pou Tiringa share a vision of a healthy, vibrant and thriving Taranaki community.

Te Pou Tiringa is the governance body for Te Kōpae Piripono, an award-winning early childhood immersion centre in New Plymouth, which is also the base for a joint long-term research project with the National Centre for Lifecourse Research (NCLR) at the University of Otago.

The long-term study aims to create learnings which will help people, including those working with young children, to better understand what is effective for working with Māori children and whānau in Taranaki, and which may also be of benefit to the wider community.

In December 2017 a Memorandum of Understanding was signed between the Trust and Te Pou Tiringa stating how we will work together. As part of the partnership the Trust granted a total of \$889,995 towards establishing the research programme and work needed to secure a new home for Te Kōpae Piripono.

Chair of Te Pou Tiringa, Roena Ruakere-Te Uira said "The TSB Community Trust funding is enabling Te Pou Tiringa/Te Kōpae Piripono to work in a strategic way towards our long term vision, to make a tangible difference early in peoples' lives that will improve outcomes over the lifecourse and through generations. Ordinarily, funding for this type of initiative, for longer term goals, is very hard to secure. Our joint investment in future generations, we believe, will over time greatly benefit our whānau and the wider Taranaki community."

#### PARENTAL KNOW HOW, AROHA AND RELATIONSHIPS - PARENTING PLACE

In 2017 TSB Community Trust began working closely with Parenting Place, a leading national organisation with a dream that Aotearoa be a place where every whānau thrives and every child feels deeply loved – a dream well aligned with our Trust Vision here in Taranaki.

Parenting Place supports the restoration, strengthening, and building of flourishing relationships through a range of programmes, courses and resources. These include Space for you and your baby, Toolbox parenting, Building Awesome Whānau, Attitude programmes in schools, Family Coaching, marriage and relationship retreats, camps, nationwide events, and online content.

In 2017 the Trust commissioned Parenting Place to carry out an exploration into community aspirations in Waitara and possible collaboration opportunities. A grant of \$147,410 was paid towards programme development and delivery in Waitara.

"We are so excited to have been invited into the Waitara community to walk alongside whānau and are so grateful to TSB Community Trust for making this possible" said Parenting Place's Pouwhiringa, Te Waka McLeod.

Over the next 12 months they will be co-designing a Building Awesome Whānau parenting course tailored to the needs of whānau, training local people to deliver it and other courses.

## "THESE ARE THE GIFTS OF OUR ANCESTORS"

## **COMMUNITY FUNDING**

# OUR COMMUNITY FUNDING CONTRIBUTES TO SUPPORTING THE FABRIC OF OUR COMMUNITY. THE FOLLOWING PAGES FEATURE THE WORK OF JUST A FEW OF THE DIVERSE GROUPS TO RECEIVE COMMUNITY FUNDING IN THE 2018 FINANCIAL YEAR.

#### LOCALS GETTING IT DONE - KAITAKE RANGES CONSERVATION TRUST

A group of committed Kaitake community volunteers are working to improve predator control and biodiversity in the Kaitake ranges, while actively engaging the wider and local community.

The Kaitake Ranges Conservation Trust is a relatively new organisation achieving their goals with minimum resources and maximum perseverance. The group carry out pest eradication and other activities in the Kaitake area and offer a productive way for locals to make social connections.

In 2017 they received a grant of \$4,700 to purchase track maintenance equipment, self-setting traps and stoat traps. Taranaki Mounga and the Department of Conservation also assisted with training and support. The Trust used Apps to help monitor over 100 traps throughout the area.

The Trust's Chair, Pete Morgan, said "The past 12 months hard work has paid off and the Trust has already been making an impact. We have removed over 300 stoats, ferrets or rats in the last three years with our 40 stoat traps. We believe we have already seen an increase in the bird life in our small initial trapped area of the Kaitake Ranges."

#### **INSPIRING OUR NEXT GENERATION - WOMAD NZ**

Every year WOMAD New Zealand brings Taranaki alive with a feast of music, dance, unique experiences and opportunities that would just not happen here in Taranaki without it.

In March 2018 16,680 people converged on the TSB Bowl of Brooklands and environs to experience the WOMAD NZ festival, made possible due to the support and collaboration of a diverse range of partners, including the TSB Community Trust.

The Trust provided funding of \$138,000 towards bringing the event to Taranaki and to support the Community Programme which increased opportunities for the community and especially young people, to share in the remarkable experiences WOMAD NZ has to offer.

The TSB Community Trust Cook Off is an annual highlight of the Community Programme. During the Cook Off teams of students

from Taranaki high schools were invited to cook a dish from one of the top 10 cuisines of the world. The competition took place in the week leading up to WOMAD. The Cook Off winners created their dish at the festival in front of a live audience. Hawera High School impressed the judges and took out first prize.

Suzanne Porter, TAFT Chief Executive said "Taranaki is blessed to have the TSB Community Trust provide our region with access to grants that allow things to happen in Taranaki that just shouldn't – and there can't be a better example than WOMAD! Thank you to all the Trustees and staff for your support since the first presentation in 2003. WOMAD would not be a successful major national event without this support".

## "PEOPLE OF THE LAND AND ALL CORNERS OF THE EARTH"

#### BUILDING STRONG NEIGHBOURHOODS -THE NEIGHBOURHOOD MATCH FUND

The Trust launched its new Neighbourhood Match Fund in 2017 in partnership with the Stratford, South Taranaki and New Plymouth District Councils. The fund encourages local people to become more connected through engaging in neighbourhood activities.

Applications can be made by informal groups of locals for activities such as small one-off events – e.g. a group of neighbours on a street getting together to host a BBQ everyone on the street can attend, or to carry out an activity such as creating a community garden.

Match funding is literally about 'matching' a contribution made by the community with that of a funder. The contribution must be of equal value. For example if the group of neighbours organising the community garden put in volunteer time and supplies to the value of \$100, the Trust could match it with \$100 to cover other costs.

It may sound too good to be true – but it isn't! It's actually a great opportunity for local people to get together and do something very positive. Applications are considered by the Councils and the Trust on a case by case basis. Groups of neighbours with ideas for projects should contact their local Council to find out more.

#### OCEANIA ROAD CYCLING CHAMPIONSHIPS AN EYE OPENER - LEE BOON. CYCLIST

In December 2017 Taranaki cyclist Lee Boon was selected for the New Zealand Oceania Road Cycling Under 19 Team. Lee received an Individual Grant of \$1,500 to help her participate.

"Learning about the selection was very exciting," said Lee. Being Lee's second only experience racing in an U19 event, Lee said she felt "very nervous about what I was in for". Even so Lee's results were impressive - in the 16km Individual Time Trial Lee achieved 11th overall and finished 8th overall in the 60km road race. Upon returning Lee said that she "learnt a lot from the fierce racing and was very pleased with my result and how I handled the race. The whole experience was very eye opening and I came home ready to train even harder to be as good as the older girls.

Receiving a grant from the TSB Comunity Trust was amazing as it helped me to get to the championships in Tasmania. This competition had been a goal of mine for so long and being selected for the U19 Women's NZ Team was such an honour. I am so grateful of the TSB Comunity Trust for helping me to achieve this goal". Well done Lee!

#### ON A MISSION TO BUILD A SAFER COMMUNITY

South Taranaki Neighbourhood Support is on a mission to make South Taranaki a safer and more caring place. The proactive community organisation aims to reduce crime and its effects in the area and educate their members to become self-sufficient in times of emergency and disaster.

Over the past year the organisation has been working hard to meet their aims to develop more caring and safer South Taranaki communities. In 2017 when the organisation received a grant of \$15,000 towards a Development Co-ordinator salary, the funds were well used to employ Co-ordinator Wendy Foreman, based at the Hawera Police Station.

When the group was established in 2016 it had around 25 members in Hawera. Their first-year goal was to sign up 1,000 people. By

the end of March 2017 their membership had grown to include 265 households and 148 businesses - an estimated 795 individuals taking into account household numbers.

"Our next big drive is to bring on board as many people from Opunake/ Rahotu and surrounding areas" said Wendy. "We would like it to be the sort of thing that everyone wants to belong to eventually. You cannot beat people power" said Chair, Lionel Shaw.

#### **Reporting Entity**

These summary financial statements comprise the financial statements of TSB Community Trust (the "Trust") for the year ended 31 March 2018. The Trust is domiciled in New Zealand and incorporated under the Charitable Trust Act 1957. The Trust is a community trust as defined in the Community Trusts Act 1999.

The nature of the Trust's operations is investment and application of the Trust funds for community benefit. The Trust has been established to carry on activities for the exclusive benefit of the community within Taranaki.

The financial statements were authorised for issue by the Trustees on 20 June 2018.

#### **Basis of Preparation**

They comply with New Zealand equivalents to International Public Sector Accounting Standards (NZ IPSAS) and other applicable Financial Reporting Standards as appropriate to Public Benefit Entities.

These summary financial statements have been prepared in compliance with PBE FRS 43: Summary Financial Statements. These summary financial statements have been extracted from the full financial statements and do not include all the disclosures provided in the full financial statements. The summary financial statements cannot be expected to provide as complete information as provided in the full financial statements. The full financial statements have been audited with an unmodified audit opinion issued on those statements for both periods the financial statements cover.

#### **Presentation Currency**

The financial statements are presented in New Zealand dollars. All numbers are rounded to the nearest dollar.

#### Comparatives

The comparative financial period is 12 months.

#### **Contingent Assets and Contingent Liabilities**

#### **Events after the Reporting Date**

There are no material events subsequent to balance date which are not otherwise disclosed in the financial statements of the Trust.

The Trust has prepared these separate financial statements to provide more relevance to users, as the size and presentation of the consolidated financial statements does not facilitate a meaningful comparison of the Trust's results by those users.

The Trust has 100% ownership of TSB Group Limited, a company incorporated in New Zealand. The Trust holds 100% of the voting power. The investment is accounted for at cost.

The consolidated financial statements of the Trust can be obtained from the Trust Chief Executive:

PO Box 667, New Plymouth or by telephoning (06) 769-9471.

#### NOTES TO THE SUMMARY FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

#### **Change of Accounting Policy**

Following consultation with the Board of Trustees, management have altered the accounting policy in relation to the recognition of grant expenditure in order to more accurately present information to the users of the financial statements. As a consequence, the amended accounting policy results in grant expenditure being recognised earlier due to the fact that grants are now recognised when approved by the Board of Trustees rather than when payment is made to the grantee.

The following tables summarises the impacts on the Trust's financial statements.

- implementing necessary internal control to enable the preparation of a summary set of financial statements that is correctly derived from the audited financial statements.

#### Auditor's Responsibilities for the summary financial statements

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with (or are a fair summary of) the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (New Zealand) (ISA (NZ)) 810 (Revised), Engagements to Report on Summary Financial Statements.

We expressed an unmodified audit opinion on the financial statements in our audit report dated 20 June 2018.

The summary financial statements do not contain all the disclosures required for a full set of financial statements under generally accepted accounting practice in New Zealand. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of the Trust.
