## TSB COMMUNITY TRUST

ANNUAL REPORT

2016

## **CHAIR'S REPORT**

# Tēnā koutou, tēnā koutou katoa Greetings, greetings, greetings to you all

The past 12 months have been highly active for the Trust, marked by significant strategic developments, operational improvements, and the strengthening of our asset base. All laying stronger foundations to support the success of Taranaki, now and in the future.

This year the Trust adopted a new Strategic Overview, including a new Vision:

To be a champion of positive opportunities and an agent of beneficial change for Taranaki and its people now and in the future

Our new Vision will guide the Trust as we actively work with others to champion positive opportunities and beneficial change in the region. Moving forward the Trust's strategic priority will be Child and Youth Wellbeing, with a focus on 'the early years' within a whanau/ family context. Evidence shows targeting investment towards this age group has greater capacity for impact. Our new Vision is underpinned by Core Values to guide us as we move ahead to support improved wellbeing outcomes. Over the next 18 months we will work with partners to explore opportunities and innovations in this area.

Over the past five years the Trust has been working with our community to change our southern boundary to extend to Patea. We are currently awaiting the outcome of our formal request to the Minister of Finance to amend the legislation. Along with the communities impacted, we are hopeful of a positive outcome.

As part of the Trust's evolution, on 1 April 2015, a new Group asset structure was introduced, to sustain and grow the Trust's assets for future generations. This provides the Trust with a diversification of assets, and in future years, access to greater dividends.

As well as all this strategic activity this year we have continued our community funding and investment, and have made a strong commitment to the success of Taranaki communities, with \$8,672,374 paid out towards a broad range of activities, with a further \$2,640,143 committed and yet to be paid.

Since 1988 the Trust has contributed over \$107.9 million dollars, a level of funding possible due to the continued success of the TSB Bank Ltd. We'd like to acknowledge the Bank and the many Taranaki people who have supported it over the years and continue to do so.

As we look ahead we're very positive about the potential we have in Taranaki, to work together as a community to create opportunities, and facilitate beneficial change, for all those that reside within our wonderful region.

Ngā mihi

Lo

Hayden Wano, Chair

## CHIEF EXECUTIVE'S REPORT

2015 has been a highly productive year with a number of significant operational improvements implemented in the past 12 months. Each of these will enable our organisation to operate more effectively to achieve our strategic and operational goals.

April and August 2015 were two key months for changes within the Trust. In April we implemented a new staffing structure, a new grants database management system and most visible to our communities, a new set of grant types including Operational, Capital and Programme and Event Grants.

The next big changes took place in August 2015 with the launch of our colourful new Brand and our new website, reflecting the energy and passion we have for our region and communities. Our new brand is inspired and expressed through a poem called 'Our Journey' (on the following page). It speaks of our vision of a united community and our commitment to working together with our community towards positive outcomes.

Another big change in August 2015 was the move to our brightly renovated office space in New Plymouth. The shift was very positive and is enabling greater community engagement. Our new facility also includes meeting rooms which can be used free of charge by not for profit community groups, when available. This resource has proven popular with an average 38 hours use per month by external groups this year.

The past year has seen growth in the Trust's staffing team. As part of the new staffing structure, in August 2015 we appointed a new leader for our funding and community investment team, and in November a new position to assist with the management of the Trust's new Group structure.

The coming year will see a new position introduced to improve the capability of our Grants team to engage with Iwi and Māori community organisations.

In February 2016 the Trust implemented the second phase of our grants database management system, with the launch of an online grants portal. This has made it easier for our applicants to apply to the Trust, and also enabled more effective engagement with our communities. The new system has been taken up in record time, with over 75% of all applications in March 2016 submitted online.

The Trust's new Strategic Direction with a focus on Child and Youth Wellbeing will provide us with an opportunity to; engage with communities of interest, develop innovative and exciting new initiatives and ensure that our region's tamariki have the best start possible. As we increase our focus on funding early years outcomes you can expect to see a shift from funding more traditional capital projects to a greater emphasis on programme funding in this area.

The Trust could not achieve all that it does without the work of a dedicated team of staff. I'd like to take this opportunity to acknowledge our team for all that they do to support the community, the board and myself. Without them we wouldn't be able achieve so much for and with the communities we serve.

Finally, I would like to acknowledge the community workers and volunteers, your tireless contribution to our community makes it a better place for us all!

Thank You

Maria Ramsay, Chief Executive

### **STAFF**

From top - left to right - Maria Ramsay (Chief Executive), Danae Etches (Strategy and Research Leader), Leighton Littlewood (Funding, Facilitation and Programmes Leader), Steve Taylor (Business and Operations Leader), Tania Pirini (Personal Assistant to Chief Executive), Sarah Birchler (Operations and Information Advisor), Kathryn Grant (Grants and Programmes Advisor), Nadine White (Receptionist).

## **OUR JOURNEY**

Taranaki people, proud and resilient, People of the land and all corners of the earth, woven together, supporting each other, united in community.

Together we are stronger.

Positivity, opportunity, creativity,
these are the gifts of our ancestors,
for here under our mounga, anything may be possible.

Join us in our journey.

Breathe in the fresh mountain air and walk down with us along the grey scoria.

As we stride, we reach our beautiful native bush. Embrace the harmony and new life of this native community with its charming green koru.

Feel the positivity of the yellow karaka berry.

As we come to the river we are inspired by the strength and creativity of the kereru as she swoops past, low and strong displaying her elegant violet feathers.

The river stones are a plenty.

Their closeness and abundance display partnerships within their community.

There are so many colours, greys, blacks and river stone brown.

As we merge upon the foreshore we watch the sunset reflecting pink hues on the swaying harakeke.

We reach the blue ocean... It's so vast and beautiful. Is it too deep? Too cold? Be brave...

You never know until you try....

## **COMMUNITY FUNDING** & INVESTMENT

We are committed to helping our communities achieve their goals. We aim to do this through a proactive, evidence based approach, investing in people and communities and facilitating opportunities for positive change.

We invest in people, community groups and organisations providing positive opportunities, and making a beneficial difference within our region\*. In 2015 the Trust adopted a new Strategic Priority of Child and Youth Wellbeing. In order to make the biggest difference we can, our current focus is the Early Years, within a whanau/ family context. It is now widely recognised that the early years of a child's life are critical to lifelong outcomes, and are a We fund a range of activities and our grants include priority for effective investment.

In a rapidly changing, complex society innovation is required, and new ways of investing in social outcomes are being developed, tested and identified. As a Trust moving forward we will have a greater focus on outcomes. We will not only fund existing organisations and programmes within the Child and Youth Wellbeing space but also look to engage in new innovative approaches.

We also continue to support our community across our six funding areas of Learning, Community Wellbeing, Recreation and Sport, Arts, Culture and Heritage, Health and Rescue Services, and Environment.

Through our grant making programme we support community groups of all sizes, from large regional organisations with big aspirations, to small local community groups volunteering their time to do the important work that makes up the fabric of our communities. We also fund individuals selected by national bodies to represent New Zealand competitively, or for training and development.

Operational, Capital, Programme and Events, and Individual Grants. We also fund Trust projects including Community Training and Facilitation, and Literacy and Numeracy Grants.

We aim to increase the capability of our community through investing in capacity and capability building. To achieve this, we collaborate with a wide range of stakeholders from the wider community, government, business and Māori organisations.

As well as the obvious grant making we also support not for profit organisations through the free use of our meeting rooms.

\* Our specified area is set in legislation and currently runs from Mokau in the north, to Tahora in the east and the Manawapou River in the south of Taranaki

STRATEGIC OVERVIEW

## **OUR VISION**

To be a champion of positive opportunities and an agent of beneficial change for Taranaki and its people now and in the future

Kia tū hei kaihāpai ki te whakatairanga i ngā kōwhiringa, ā, hei kaiwhakawhanake i ngā iwi o Taranaki ki ānamata

WITH A FOCUS ON CHILD AND YOUTH WELLBEING

### CORE VALUES

**COMMUNITY FUNDING** & INVESTMENT COMMUNITY FOCUSED RESULTS INITIATIVE COMMITTED INTEGRITY

**ASSET** INVESTMENT

AN EFFECTIVE ORGANISATION

### AN EFFECTIVE ORGANISATION

We will support this with appropriate resources, systems and communication.

To successfully achieve the above aspirations and plans our Trust must function as an effective organisation, to underpin this work. This means ensuring that we have the resources, operational systems and appropriate communication to help take our new Vision beyond the aspirational and into reality, to truly make a difference.

At the heart of every effective organisation is an understanding of its values - what makes it tick, what it believes in as an organisation and how it intends to deliver to its communities. In 2015 the Trust introduced a new set of Core Values, these are outlined below. We now aspire to uphold these in everything that we do.

Another aspect of being effective is having appropriate systems in place. A major focus of the past 12 months has been establishing a new grants management system and an online application portal.

These systems aim to make applying to the Trust easier. They also enable us to better utilise information and data to communicate with our applicants, understand community needs and improve our grant making strategies and practice.

Our Trust communicates in a variety of ways from face to face, telephone, and email through to online. We also send out regular newsletters, press releases and run regular advertorials in local media.

In this digital age we still value face to face communication and are always willing to meet and discuss applications and projects when our staff are available. Over the past year our grants team have held an average of 30 meetings a month with potential and existing applicants.

We are always open to feedback on our operations and how we can improve our performance to be the most effective organisation we can be.

## **ASSET INVESTMENT**

of the Trust is its role as an asset owner.

This role involves a significant level of responsibility and accountability as an asset owner and investor. To sustain and enable growth of our assets, in 2015

the Trust introduced a new Group asset structure

(outlined below). that manages the Trust's asset investments. These are 100% of TSB Bank Ltd and 49% of Fisher Funds

All Directors of TSB Group Ltd are appointed by the TSB Community Trust Board and must be Trustees of the TSB Community Trust.

Management.

To meet our responsibilities and resource our strategies 
In the years to come these assets will provide a and communities long-term, an equally important focus stronger foundation from which the Trust can resource community aspirations and make a beneficial difference.

> Developing our organisation to carry out this role effectively and build capacity to facilitate beneficial outcomes has been a key focus over the past 12 months and will continue to be a focus over the coming years.

With a strong and long term asset investment strategy The Trust now owns TSB Group Ltd, a holding company in place the Trust seeks to be in an excellent position to strengthen its contribution and work with our communities and stakeholders to facilitate greater impact within our region.

### TSB GROUP STRUCTURE

### **CORE VALUES**

### **COMMUNITY FOCUSED:**

Our communities' success drives everything we do. We work in partnership with our communities to develop solutions that allow them to reach their goals.

### **RESULTS:**

We value performance and results, without losing track of the goals of individuals and groups in our community. By setting measurable outcomes, and working collaboratively, we achieve the results we seek.

### INITIATIVE:

We are not afraid to try new things. We are always looking to improve and find smarter ways to help our communities succeed.

### **COMMITTED:**

We are committed to our work and what we do. We understand that our success is directly tied to the success of our communities and go above and beyond to solve tomorrow's problems today.

### **INTEGRITY:**

We adhere to the highest ethical standards and have the utmost respect for those we work with.

## WHAT WE FUNDED

Our funding recognises the huge contribution made by Taranaki people and not for profit community organisations for the benefit of our region. These pages summarise our grants over the past year and share with you just some of our many inspiring grant stories.

### Granting Activities 2015-2016

As well as paid grants, the Trust committed a further \$2,640,143 to meeting certain conditions

Amounts paid and committed in 2015-2016

## 712 Total number of grants paid

Our grants contributed to positive opportunities and beneficial outcomes for Taranaki across a range of Funding Areas.

\$ paid by Funding Area

\$8,672,374

Total grants paid excluding returned grants

\$2,640,143

New conditional grants yet to be paid

These stories share with you just some of the great work achieved by dedicated people and community organisations throughout Taranaki, across our funding areas.

Each of these grants, no matter how big or small, contribute towards helping our communities achieve their goals and supporting their success.

### Child and Youth Wellbeing Focus

There is so much potential in our Taranaki community to work together for better results for all children, young people and whanau. Several groups profiled here are working hard to generate positive outcomes across generations. Their work, along with other individuals and groups, is contributing to the Trust's strategic focus of improving wellbeing for children and young people in our region.

### NURTURING OUR NEXT GENERATION

A new home based family support service for infants and parents was launched in Taranaki this year with support from the Trust. Called Nurture Taranaki, the programme is run by Te Puna Trust with a staff of three and backing from the New Zealand Police. Following a four to six week assessment, families on the programme receive weekly visits for up to 18 months, and contact is maintained with the families until the child is five.

"There is clear evidence of the need for early prevention to improve the wellbeing of young children. While services and organisations do exist in the region, no one entity works alongside a family for the long-term. Nurture Taranaki's staff will be there from the start - when a child is born to when they reach school age."

Paul Lampe, Project Leader Youth Development, NZ Police

PROGRAMME & EVENTS GRANT: \$90,000

## ENHANCING THE RELATIONSHIP BETWEEN PARENTS AND CHILDREN

An early intervention parenting programme now being delivered around Taranaki aims to build attachment and enhance the relationship between vulnerable young children and caregivers. Known as 'Circle of Security', Lynne Holdem describes that as "the magic of mammals"; the attachment parents have to offspring, subsequent nurturing and its ability to build lifelong security and self-confidence. Circle of Security is non-judgmental and it helps parents better understand their child's behaviour, respond to that and form a stronger relationship.

"The \$29,994 grant from the Trust will enable 30 parents/ caregivers to take part in an 8 week course over the next year in New Plymouth, Stratford and Hawera. Feedback from the first two courses has already been heartening."

Lynne Holdem, Co-Manager of Supporting Families in Mental Illness Taranaki

## Total Granted \$602,050

Hours per month (on average) Trust Meeting Rooms are used free of charge by Taranaki not for profit community groups and organisations

Around 600 hard working Taranaki people received excellent training opportunities supported by Community Training, Facilitation and Project Grants

Total Granted \$101,235

## **GRANT SNAPSHOTS**

## WISE: KEEPING OUR COMMUNITY WARMER AND HEALTHIER

WISE Better Homes reached a milestone this year: they insulated 10,000 homes and created 300 jobs. Long-term their target is 33,000 homes. Training workers, particularly those registered as short to medium term unemployed, is a big part of WISE (Waitara Initiatives Supporting Employment). A typical employee will gain accreditation and certification in first aid, use of hazardous chemicals, health and safety, use of motorised machinery as well as a national insulation qualification. TSB Community Trust has contributed over \$1.8 million towards WISE's home insulation programme since 2004, creating a springboard to stability and growth for WISE.

"When we talk about a healthier home we are not talking about it just feeling warm but about it being a healthier environment for the people who live in it. Families report being warmer, they get sick less, tend to have less time off work and school, enjoy lower power bills and are generally happier."

WISE Chief Executive, Anaru Marshall

## PROGRAMME & EVENTS GRANT: \$95,000

WISE worker hard at work keeping houses warmer. Photo: WISE

## RIDING BUILDS ABILITY, INDEPENDENCE AND SELF-WORTH

Central Taranaki Riding for the Disabled Association (RDA) is a hardworking community group in the heart of Stratford, with a real passion for what they do. Affiliated to NZRDA, the group enables interaction with horses to develop increased ability, independence and self-worth for children with physical, intellectual, emotional and social challenges. Based at Pioneer Village, the group currently has 10 dedicated volunteers who assist the riders from the Stratford High School, St. Mary's Diocesan School and the primary schools within the Central Taranaki area. Volunteers all receive training to help riders to achieve their goals.

"With a cost of around \$1,000 per year to look after each horse, Operational funding from the Trust provides much needed support to our group to help meet running costs."

Sarah Collier, President

**OPERATIONAL GRANT: \$2,000** 

Abby Zehnder riding Rua, led by Jess Wheeler, Central RDA's assistant instructor. Photo: RDA Central Taranaki

"I would like to convey heartfelt thanks for your generosity and support of our efforts to ensure Inglewood High School students have access to a digital learning environment that is modern and relevant. The support of TSB Community Trust is something our wider community appreciates greatly. Thank you for partnering with us."

Rosey Mabin, Principal Inglewood High School

## LITERACY AND NUMERACY PROGRAMME PAYS OFF

In 2004 the Trust began making grants to primary and intermediate schools to boost literacy achievements and in 2008 it extended the scheme to numeracy. The total amount granted to date– including the 2016 figure – is over \$7.8 million. The funding is distributed on a per capita basis giving schools flexibility to use it where the need is greatest in their community. Many schools use the funding to support underachievers; others pour it into extension programmes. Recently retired former Principal Mike Johnson was instrumental in implementing the Trust's funding programme.

"I think we are pretty lucky. Over the past 14 years, when you add up the figures it's certainly significant. We have to be pretty pleased about that in Taranaki. We are the envy of other provinces because they don't have that source of funding."

Mike Johnson, Former Principal Puketapu School

**TOTAL GRANTS: \$771,660**

### WORKING TOGETHER TO SAVE LIVES

Taranaki Rescue Helicopter Trust received a major grant this year to help ensure the long term sustainability of the rescue helicopter service in Taranaki. Looking at the statistics it's easy to understand why. In the year 1 April 2015 – 31 March 2016 the Taranaki Community Rescue Helicopter flew 170 missions. Of these 68 were rural, 28 were road accident related, 14 were marine related call outs, while 32 were mountain and bush related, with 28 other missions carried out.

"The Taranaki Community
Rescue Helicopter serves
people of all ages, in all areas
of Taranaki. The support
of TSB Community Trust is
fundamental in maintaining
the high level of service those
living and working in provincial
Taranaki deserve. Every mission
we fly makes a difference to
the lives and futures of those
we help and we would like to
thank the TSB Community Trust
for working together with us to
serve the Taranaki Community."

Bryce Barnett, Chairman-Taranaki Rescue Helicopter Trust

**CAPITAL GRANT: \$1,000,000**

Literacy and Numeracy Grants

**Total Granted \$771,660** 

### GALLIPOLI JOURNEY INSPIRES TIM'S NEW CAREER

When Tim Parr set sail on the Young Endeavour in April 2015, he had no idea how much it would transform his life. Selected to sail on the World Voyage Gallipoli as part of the 2015 commemorations, Tim spent 51 days on the ship. During that time he got to know people from all around the world. One of Tim's jobs on board was to assist with cooking meals. That led him to discover a completely new career and since returning he's been studying for a New Zealand Certificate in Culinary Arts at WITT.

"Being one of only three New Zealanders selected I was extremely honoured and privileged. I am so grateful for having that opportunity. Not only did I gain wonderful friendships with people, the countries we visited with all their different cultures were all so interesting. Unexpectedly my journey led me to discover cooking and I'm now on the way to a new career."

**INDIVIDUAL GRANT: \$500** 

Tim Parr holding an image of the Young Endeavour. Photo: Pip Guthrie

### ZHANA AND REEF'S AMAZING SURFING JOURNEY

In August 2015 Waitara surfers Zhana Hutchieson and Reef Matthews joined the Aotearoa Maori Surfing Team in the Melanesian Surfing Cup in New Caledonia. The Trust's investment paid off big time when Zhana won the Under 18 and Open Women's Categories and Reef won the Under 18 Boys' Event. Both of these young surfers are on an amazing journey pursuing excellence in their chosen sport.

"The grant helped me a lot. Without the funding I couldn't have got to the Melanesian Cup. Getting over there was such a cool journey and achieving two wins was really exciting. Since then I've been able to compete more and have been named on the New Zealand Open Women's Non-travelling Reserve and the Junior Girls' Reserve."

Zhana Hutchieson, 2015 Aotearoa Maori Surfing Team

**INDIVIDUAL GRANT: \$1,500 EACH** 

Zhana, Reef and team member Chip Andrews Photo: Courtesy of Fairfax/ Taranaki Daily News

### RETRO CHIC IN THE HEART OF OPUNAKE

A state of the art retro boutique movie theatre might not be what you'd expect to find in a coastal Taranaki town - but thanks to the hard work and dedication of the Everybody's Theatre Society and supporters, Opunake has just that! In 2015 the Trust funded building renovations and previously, a brand new digital projector. Both grants have helped rejuvenate the longstanding community asset, helping to ensure its future.

"We could have just given the theatre a lick of paint but with guidance and support from the Trust we've future proofed it for the next generation. It's rewarding to see the theatre being well used; patronage has increased, boutique nights are popular, we have regular followers and private events are on the rise. Thank you for having faith in our project and giving our theatre a new lease on life."

Debbie Campbell, Chairperson, Everybody's Theatre Society

### CAPITAL GRANT: \$100,000

Members of the Everybody's Theatre Committee – left to right: Rachael Hughson-How, Debbie Campbell, Maree Drought and Jenny Bennett. Photo: Pip Guthrie

## QUALITY ESSENTIAL TO SUCCESS

Old and worn instruments can seriously affect a band's performance and overall results, so the availability of quality instruments is essential to the success of high performing Devon Hotel New Plymouth Brass Band. The band is consistently successful representing New Plymouth City at national and regional contests, and are respected for bringing a vibrant festive atmosphere to many public occasions such as Christmas Parades, ANZAC Days and other Taranaki events.

"Our grant this year enabled the purchase of a timpani and eight cornets. Having a requirement for up to 40 instruments for the Senior Band with costs ranging from \$3,000 to \$25,000 per instrument to maintain the required standard, would be financially impossible without regular support from the TSB Community Trust, to whom we are extremely grateful."

Mike Brooke, Chair TDHNPBB

**CAPITAL GRANT: \$35,000**

### AMERICARNA BRINGS COMMUNITIES TOGETHER

Taranaki people were out in force supporting Americarna in February 2016. As a colourful convoy of hundreds of cars travelled throughout the region, streets and roads were lined with car lovers of all ages, gathered together to catch a glimpse and hear the rumble of V8 engines. A public programme saw New Plymouth, Inglewood, Opunake and Hawera alive with activity. Other festival highlights included a popular school banner competition and visits to local rest homes. Americarna celebrates 10 years in 2017!

"With the events offered free to the public, everyone was able to be a part of the celebrations. Taranaki was alive and vibrant and there was an amazing feeling of camaraderie. A huge thanks to our funding partners who helped make this all possible."

Toni Fabish, Event Co-ordinator Taranaki Vehicle Events Trust

PROGRAMME & EVENTS GRANT: \$60,000

Mangorei Residents gather to watch the Americarna cars go by

## THE WHEELHOUSE: SUCCESSFULLY SUPPORTING TARANAKI COMMUNITY GROUPS

The Wheelhouse is a great example of what can be achieved when people and organisations combine their efforts and resources to enhance community opportunities. As a concept, the Wheelhouse grew out of discussions between organisations involved in offering capacity building opportunities for community groups across the region. Today the Wheelhouse is a successful model of collaboration between funders, community organisations, government departments, District Councils and business representatives. The collaborative operates a website providing a single point of contact for community groups seeking practical and reliable information, a training calendar and a subsidy system. It is also a portal for other online resources such as Generosity New Zealand and the New Zealand Navigator. In the 2016 financial year the Trust funded Wheelhouse co-ordination and community trainings. Approximately 600 Taranaki people gained access to training supported by the Trust, including opportunities offered through The Wheelhouse. See www.wheelhouse.org.nz

"The Wheelhouse provides us with a brilliant opportunity to support community groups all across Taranaki to build their capability and capacity. Further development of the initiative in 2016 is set to increase its regional impact."

Maria Ramsay, Chief Executive, TSB Community Trust

### TSB COMMUNITY TRUST SUMMARY FINANCIAL STATEMENTS

#### Notes to the Summary Financial Statements 31 March 2016

#### **REPORTING ENTITY**

These summary financial statements comprise the financial statements of TSB Community Trust (the "Trust") for the year ended 31 March 2016.

These financial statements comprise the financial statements of TSB Community Trust (the "Trust") for the year ended 31 March 2016. The Trust is domiciled in New Zealand and registered under the Charitable Trust Act 1999.

The nature of the Trust's operations is investment and application of the Trust funds for community benefit. The Trust has been established to carry on activities for the exclusive benefit of the community within Taranaki.

#### **BASIS OF PREPARATION**

The full financial statements and summary financial statements were prepared in accordance for the first time with Tier 1 Public Benefit Entity (PBE) Reporting Standards as issued by the New Zealand External Reporting Board (XRB). They comply with New Zealand equivalents to International Public Sector Accounting Standards (NZ IPSAS) and other applicable Financial Reporting Standards as appropriate to Public Benefit Entities.

These summary financial statements have been extracted from the full financial statements and do not include all the disclosures provided in the full financial statements. The summary financial statements cannot be expected to provide as complete information as provided in the full financial statements.

The full financial statements have been audited with an unmodified audit opinion issued on those statements for both periods the financial statements cover.

The financial statements are presented in New Zealand dollars. All numbers are rounded to the nearest dollar.

The financial statements were authorised for issue by the Trustees on 15 June 2016.

#### **COMPARATIVES**

The comparative financial period is 12 months. Comparatives have been reclassified from that reported in the 31 March 2015 financial statements where appropriate to ensure consistency with the presentation of the current year's position and performance.

The net asset position and net surplus or deficit reported in comparatives is consistent with previously authorised financial statements.

#### **CONTINGENT ASSETS AND CONTINGENT LIABILITIES**

The Trust has no material contingent assets (2015: Nil).

| Contingent Liabilities | 2016 \$   | 2015 \$   |
|------------------------|-----------|-----------|
| Contingent grants      | 4,281,533 | 3,305,476 |
| Multi-year commitments | 2,635,000 | 693,900   |
|                        | 6,916,533 | 3,999,376 |

Contingent grants are donations approved but the distribution is subject to the donees meeting certain conditions.

#### **EVENTS AFTER THE REPORTING DATE**

Subsequent to the year-end TSB Group Limited declared a dividend of \$9.475m payable to TSB Community Trust.

### SEPARATE FINANCIAL STATEMENTS

The Trust has prepared these separate financial statements to provide more relevance to users, as the size and presentation of the consolidated financial statements does not facilitate a meaningful comparison of the Trust's results by those users.

The Trust has 100% ownership of TSB Group Limited, a company incorporated in New Zealand. The Trust holds 100% of the voting power.

The investment is accounted for at cost.

The consolidated financial statements of the Trust can be obtained from the Trust Manager, PO Box 667, New Plymouth or by telephoning (06) 769-9471.

### INDEPENDENT AUDITOR'S REPORT ON THE SUMMARY FINANCIAL STATEMENTS

### To the Trustees of TSB Community Trust

The accompanying summary financial statements on pages 1 to 4, which comprise the summary statement of financial position as at 31 March 2016, the summary statements of comprehensive revenue and expenses, changes in net assets and cash flows for the year then ended and related notes, are derived from the audited financial statements of TSB Community Trust ("the Trust") for the year ended 31 March 2016. We expressed an unmodified audit opinion on those financial statements in our audit report dated 15 June 2016.

The summary financial statements do not contain all the disclosures required for full financial statements under generally accepted accounting practice in New Zealand. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of TSB Community Trust.

This report is made solely to the Trustees as a body. Our audit work has been undertaken so that we might state to the Trust's Trustees those matters we are required to state to them in the auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trust's Trustees as a body of work, for our audit work, this report or any or any of the opinions we have formed.

### TRUSTEES' RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Trustees are responsible for the preparation of a summary of the audited financial statements, in accordance with PBE FRS-43 Summary Financial Statements.

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with International Standards on Auditing (New Zealand) (ISA (NZ)) 810 Engagements to Report on Summary Financial Statements.

Other than in our capacity as auditor we have no relationship with, or interests in, the Trust.

### **Opinion**

In our opinion, the summary financial statements, derived from the audited financial statements of TSB Community Trust for the year ended 31 March 2016, are a fair summary of those financial statements, in accordance with PBE FRS-43 Summary Financial Statements.

15 June 2016 Wellington
